March 2011—Kat On the Walk NICOLE JOHNSON

Started in the Modeling Industry after learning about Tyra Banks through her cousin. She also watched Tyra Banks on the runway and was in her first hair all at the young age of 14.

Nicole's future holds many amazing shows and photo shoots. She is looking forward to many hard working days and nights, traveling to different states and enjoy every bit of it.

Nicole's style is very cute and classy! She says, "You will never catch me with the color pink, I do not like the color Pink!" Nicole's favorite colors are Blue and Red.

The one thing she must have in her wallet is her Prayer Card.

Nicole says, "My first love was Zane McClellan and still is!" The most adventurous thing Nicole has ever done was, "I road on the back of my boyfriend's bike with him for the first time. It does not sound like much, but it was his first motorcycle and he had never had anyone on the back before. It was the scariest test drive ever!"

Nicole Define's Success as, "Education, self improvement, accomplishing your goals and being happy with yourself and your life in what you do. To also know a rich person is one who needs the least, not who has the most." and my last words are: "I can do all things through Christ who strengthens me."

"Nothing is Impossible if you believe in yourself!"

Anthony “ACE MELODY” Aigbogun

Ace started in the Modeling Industry by doing Fashion Shows through his Model Mayhem Account and receiving guidance from people in the Industry.

Ace has a classy casual, business and casual active style to him.

You will never catch Ace with a chain on, “I don’t wear chains”. The one thing he must have in his wallet are his Business Cards.

Ace feels, “The future is going to be huge as far as this modeling career, because I have indeed a high quality and hard working management and promotional team.”

Ace plans to graduate college, become Minnesota Top Male Model, and help younger models pursue their dreams.

Ace defines success as, “Pursuing my dreams and goals and doing it in a positive and productive way. It’s working twice as hard and going above and beyond in doing so”.

Morgan Bryant

Morgan is only 9 years old making great progress toward her dream of being a Model. She began in the Modeling Industry after being asked to participate in local hair and fashion shows. She watches America's Next Top Model and loves to dress up and model in the latest fashions.

Morgan considers herself to be a very experienced Model and says she is on her way to becoming a Professional Model. When asked would she rather play sports, hang out with friends or model? Morgan says she would choose Model.

We played a word game with Morgan and the underlined words are the items she prefers.

Pony or Bike
Flowers or Candy
Video or Board Games
Shopping or Movies
Jeans or Skirt
Running or Skipping
Sandbox or Swing

Pink or Orange
Singing or dancing
Cat or Dog
Acting or Modeling
Hair up or Hair Down
Pageants or Runways
Holiday or Vacation

The 10 things Morgan must have in her Model Bag are Portable DVD Player, IPAD, Change of Clothes, Lotion, Lip Gloss, Deodorant, Perfume, MP3 Player, Case for Glasses, Jewelry. Morgan sees herself on television and in magazines around the world within five years.

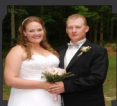

Morgan's mother, Jennifer, wants to share a must know things with New Model Moms such as time management, financial management, patience, understanding and get plenty of rest (when you can).

The most exciting experience for Morgan as a Model so far is she attended Ritz Star Bootcamp, Hair and Fashion Shows.

The advice Morgan would like to give to Models her age or younger is, "You have to be ready to go anytime and always enjoy yourself when Modeling".

IMANI MARTIN

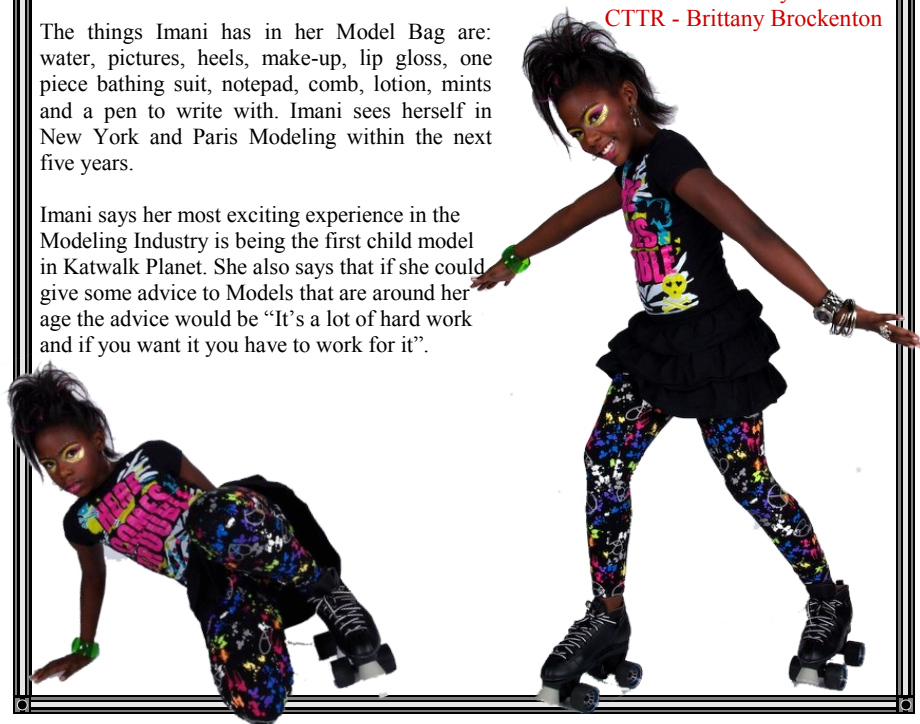

One day Imani just knew she wanted to Model. Imani considers herself to be a High Fashion Model. If Imani had to choose between playing sports, hanging out with her friends or modeling she says with no question, "Modeling is it."

Photos by

CTTR - Brittany Brockenton

The things Imani has in her Model Bag are: water, pictures, heels, make-up, lip gloss, one piece bathing suit, notepad, comb, lotion, mints and a pen to write with. Imani sees herself in New York and Paris Modeling within the next five years.

Imani says her most exciting experience in the Modeling Industry is being the first child model in Katwalk Planet. She also says that if she could give some advice to Models that are around her age the advice would be "It's a lot of hard work and if you want it you have to work for it".

David "BIG FITZ" Fitzpatrick

Delivering strong vocals and messages with his spoken word, David "Big Fitz" Fitzpatrick is a man on mission. Big Fitz says he got his start with poetry when he was asked to write a poem by his teacher, Ms. Hawkins, which he Titled *Damn, I Hate That White Girl!*

When you sit down with him or purchase one of CD's you start to feel the fire that burns inside of this Lightweight Revolutionary. Big Fitz feels he can call himself this because he says, "I should be doing more".

He views the current status of music is watered down a little bit as far as lyrics go. Now it is all about gimmicks and fads, yet he says he is still a fan.

He likes Artists such as UGK, Scarface, Tupac, Outkast and the Dungeon Family. He recalls the first Artist he listened to was Michael Jackson and the first Poet he enjoyed was Maya Angelou. When people see Big Fitz they should see a great poet that touches souls and is able to move people in the right direction.

He is genuine and 100. He is so much more than a Spoken Word Artist or a Block / Hood Poet. He is a man who speaks about struggles and wants people to not allow themselves to get caught up in pointing fingers. He says, "Now in 2011 we have a Black President so we have to make sure we tell it as it is. My CD's have everything on them. That's why I consider myself a "Lightweight Revolutionary".

Big Fitz says, "Poets or Rappers either way. It's all Poetry. We just talk about different things. I might talk about the Republican Party. Rappers talk about cars. They use a beat. I choose to do it Acapella. Poetry has staying Power because it's REAL. There is no crossover in Poetry; either you good or your not".

Big Fitz has an Urban, Earth tone style that is Casual and laidback. You will never catch him without some CD's of himself. He says the one thing he has to have in his wallet is money and that his first big purchase was a car.

He recalls that the most adventurous things he has ever done is went riding on a 20 foot or more hill when he was in High School. His favorite colors are blue and brown. Big Fitz Loves Lasagne, Grapes, Whatchamacallit Candy Bars and enjoys eating at Golden Corral.

He credits his father as his mentor and his children, Son who is 6 and a daughter who is 3, as the accomplishments he is most proud of.

If he was a millionaire he would make sure his kids college tuition money is right, build a house or two, donate some to a Foster Care Home, go on a much needed shopping spree, and of course invest.

The Last Words of
Big Fitz are:

I want to
shock the world
Every time I
grab the Mic
TAZZERS...

Lately I done had
to cut some
cats short
RAZZERS...

Jealousy is
a wasted emotion,
You know who
catch heart attacks
HATERS...

Ain't nowhere
to go but up
right now
Like I play for the
RAIDERS...

Ronald “BIGG CHOICE” Smith

Ronald Smith also known as “Bigg Choice” is the Owner of Choice Entertainment out of Connecticut. He is a strong Artist who makes you get up out of your seat and pay attention to what he is saying. The name BIGG CHOICE was chosen because he didn’t want to use his street name. He got his start in the music industry early on in life, but while in Prison he was told by Artist, Keith Murray that he was good, had great talent and should pursue a career in the music industry. He began writing songs and after returning home he went in full force on following his dream. When listening to his music you get REAL. He says, “Anything I talk about it is because I did it”.

He has released 2 CD’s, *The Real Street Blues* and *Get To Know Me*. Bigg Choice says that the music industry is good. “Poetry is good, Rap is not dead. Hip Hop is a way of Life”. The first group he remembers listening to was The Temptations. The Artists he listens to now are Drake, Jay-Z, Rakim, but mostly unsigned Artists. He says, “I’m not really a fan of Lil’ Wayne”.

The style or swag of Bigg Choice is just to be different. He says you will never catch him being disrespectful. The one thing he must have in his wallet are Bigg Faces, “I gotta have money”. He says his first big purchase was a car and his favorite color is Blue. The favorite food of Bigg Choice is Lasagne and his favorite place to eat is The Black Angus.

The accomplishment he is most proud of is the fact that Choice Entertainment has a hot team hitting the streets and making it happen.

Bigg Choice defines Success as, “Living comfortable, getting to know success and getting the world to know Choice Entertainment. Anything other than the streets is a good thing”.

When asked what 3 things he would do if he was a millionaire he said, “I would invest in my team, Buy a big house, and invest more”.

The last words from Bigg Choice are
“I got what they want, so get to know me”.
