# *Larrielle Paylor*

Larrielle started in the Modeling Industry with the Steve Holmes NOW Company. Larrielle believes just about every female wants to be a Model, but it takes more than just a pretty face and sassy walk. “You have to Live Modeling!” She recalls that the first group she listened to was TLC and she also loves to listen to Lil Wayne, Chris Brown, Trey Songz and Pop Artists.

The most adventurous thing Larrielle has ever done is Snorkeling. The one thing she must have in her purse is her Bank Card. She says you will never catch her with a Cigarette! Her favorite Designer is Herself. She plans to have her own Design Line. Her first Passion was her Puppy, Bentley. Her first Big Purchase was her Condo. Her first Mentor is her Mommy. Her favorite Color is Pink. Her favorite Food is Salmon. Her favorite Candy is Starburst. My favorite fruit is Granny Smith Apples. Larrielle’s favorite place to eat Olive Garden, Red Lobster, Longhorn’s, Wendy’s and Bojangles. Her favorite place to go is Hawaii.

Larrielle is most proud of giving back to the community, attending college, her faith in God and continuing to persevere.

Her goals are to graduate on time and have a job that is highly stable. She dreams of having her own clothing line and supporting her mother and adopting a child.

Larrielle views Success as, “Achieving your goals you set forth to Conquer!”

If she had Millions of Dollars she would; “Save, donate to Charities, Give mommy funds to do whatever she likes cause she deserves it.”

Larrielle’s Last Words are: “Remember me, Larrielle C.P!”

# IMANI MARTIN

One day Imani just knew she wanted to Model. Imani considers herself to be a High Fashion Model. If Imani had to choose between playing sports, hanging out with her friends or modeling she says with no question, "Modeling is it."

The things Imani has in her Model Bag are: water, pictures, heels, make-up, lip gloss, one piece bathing suit, notepad, comb, lotion, mints and a pen to write with. Imani sees herself in New York and Paris Modeling within the next five years.

Imani says her most exciting experience in the Modeling Industry is being the first child model in Katwalk Planet. She also says that if she could give some advice to Models that are around her age the advice would be "It's a lot of hard work and if you want it you have to work for it".

In this drama, you'll fall in love with Mrs. Miller, Math Teacher at Jimbro High School and the Football Coach's Wife. Mrs. Miller aims to publicly admonish Benjamin Jay, Jimbro High's Football Star because she alleges he's committed punishable offences. Mrs. Miller sets out to prove BJ's "jock" status is working to his advantage, when in reality he's nothing more than an underachieving thug.

Angie is the only parent BJ knows, but unfortunately their strained relationship and her after hour's life makes her inaccessible during his time of need. Even Coach Ray is too busy straightening out his own affairs to pay attention to BJ slipping into drug abuse, relationship problems and failing grades.

Angie is resentful though because her time to date has finally come, but she can't seem to go on a weekend getaway without having to be interrupted by BJ's foolishness, as she sees it.

Principal Louis Berry will appear in the Grand Cast in the Spring Musical. The musical is an effort to raise money for teachers, initiated by Berry and the Johnson High PTA. Ticket Proceeds will be used to buy school supplies.

merges’ rap, house and reggae in an unapologetic gangsta tone. Her rhymes are a fusion of pundit lyrics in a methodic tone that bring audiences back to their roots in a soulful way. Born in Chicago, Illinois and raised in Miami, Florida Dade County 305, Lady uses the challenges she suffered as a child to revive the music and pulse of the hood. From her **eclectic fashion** to her sultry demeanor, she reflects the beauty, struggle, and resistance of inner-city life. At the young age of five, Lady’s life took a dramatic turn when her father **Clive** was incarcerated on a **conspiracy** etc. Her mom Lilieth and Aunt and **four** siblings struggled to survive on low-income. At eight, she was diagnosed with a disease that left her paralyzed from the waist down. Her doctors said she would never walk again. Still, her indomitable spirit proved them wrong and two months later Lady continued to fight transferred from school to school. With the law, Lady realized it was began to perform her written for healing herself and others. In **Lyte** and **Queen Latifah**, who to sell records, Lady used music to underprivileged youth.

Lady went on to write and record her own songs. She branched out into new creative realms with her music and found a new voice as a solo artist. In 2007, she moved to New York City where she began to explore her Jamaican culture. Her mother and father were Jamaican and Lady loves a good reggae club. **She found the reggae beats** to be a breath of fresh air and the perfect thread to tie together her new-found rhythm. Rap became her muse and reggae her swagger; these two distinct genres make-up Lady Keyz’ Signature. And like bees to honey, music lovers praise her ingenious style.
