10,318

This number represents the amount of times the digital/online version of Katwalk Planet has been downloaded along with the number of print magazines & CD's we have distributed in a matter of a few weeks.

I am so humbled by this, that so many people would appreciate the hard work that has been put into this project by the entire K-Team.

Thank you to the ENTIRE K-Team; this would still be a dream if you all didn't believe in me enough to support my crazy idea of taking over the world...One City, State and Country at a time.

Thank you to all of our supports. Thank you for your calls, letters, e-mails, texts or just stopping by. Everyday we are adding new locations for our print distribution. If we are not in your city... don't worry we will be there soon!
Remember...This World Is YOUR Stage!

She listens to a variety of artist such as The Whole Young Money Group, Roscoe Dash and a New R&B Artist by The Name of Jacques, he's signed to Interscope/BlockEnt/Geffen Records, with a voice out of this world. Her style is trendy, but always has uniqueness about it. You'll Never catch her drinking soda... She's a health freak! The one thing she must have in her wallet is her Chase Bank Card! She Love her bank! The most adventurous thing she has ever done was one winter in Wisconsin she headed through the snow deep in the woods on a off road 4-wheeler. Her favorite Designer is Betsy Johnson and she also likes Fli Pelican Apparel. Her first Big Purchase was the furniture in her house. She loves to feel comfortable in her home! Her 1st Mentor was her Towers High School Principal, Nicole Shaw. Her last words are..."LIVE LIFE TO THE FULLEST"!

Gabrielle Augustin

is the Youth Council President of the Mid-Manhattan Branch of the NAACP (National Association for the Advancement of Colored People). Gabrielle is pursuing her dreams to the fullest. She is a Model, Singer, Actress, Composer, Pianist, Spoken Word Artist and so much more.

She is fairly new to modeling having started only about a year ago with the Barbizon Agency. Musically she has been playing piano and had vocal training since she was a child. She has been playing classical music on the Piano since she was five years old. She has played various musical pieces, Mozart, Czerny, some ballads as well as some R& B. She was also trained in dance at an early age starting at the Eileen Kaufman Ballet School. She has been trained in Afro-Caribbean, Ballet and Contemporary.

The first group she ever listened to were the Spice Girls. When booking Gabrielle for a job she brings to the table responsibility and reliability. She is willing to put in hard work. She is very interactive and down to earth.

Gabrielle Defines Success as, "Overcoming any obstacle, or feat and finding happiness in all areas within yourself. This includes mentally, physically, financially and emotionally".

Gabrielle says, "The future is untold, but I hope it turns out for the best. I plan to tackle all areas of the music business". She feels the current status of the music and modeling industries are very commercialized with an edgy persona.

Gabrielle listens to an array of artists including Nicki Minaj, La Roux, Beyoncé, Imperial Teen, Drake, and others. She is a very diverse individual. She could also listen to anything such as with the Opera she enjoys The Phantom of the Opera or MoonLight Sonata and Dipset.

Her style is glamorous and edgy with a little punk rock undertone. You will never catch Gabrielle in sweatpants because first impressions are everything.

The one thing she must have in her purse is her journal. The most adventurous thing she has ever done is going to another borough of the city without her mother knowing when she was younger.

Her favorite Designers are Dolce & Gabbana. Her first passion was music and then modeling. Her first Mentor was Mr. Paul MacIntosh. He helped and is still helping her with everything she does in life.

Gabrielle's last words are, "I plan to shoot for more than stars and reach past the moon. I plan to be successful with all aspects of life and still remain humble".

ENTERTAINMENT · SPORTS · TRAVEL COVER MODEL **JANAY aka J-SPARKZ**

Janay aka J-Sparkz comes to us from Virginia. She started with music at age 11. She would write songs because she wanted to sing. Her sister convinced her to rap instead because she was great with writing poetry. She began modeling locally at malls and restaurants for fun. She has been composing with instruments since 2006. The first groups she heard were from her mom playing the songs of Anita Baker, Luther Vandross, Mary J. Blige, and Michael and Janet Jackson to name a few. Her music is good quality and easy on the ears. She brings that lyrical quality the game is missing. As a model she brings dedication, cooperation and superb talent. She defines success as “Being able to accomplish a task or goal whether hard or easy; also acknowledging and showing gratitude to those who helped along the way”. For the future she believes as long as she stays focused and determined to reach her goals then she will be successful. She feels the current status of music fluctuates. She would love to see and hear more talented and lyrical individuals in the game. She views models in the industry are ok. She also wishes the shorter models would be considered for gigs such as more runway modeling. She listens to Rappers such as T.I., Lil’ Wayne, Drake, Gucci Mane and R&B artists like Alicia Keys, Monica, Trey Songs and Chris Brown. She also has to show love to those Artists who rep VA. Her style is one of a kind and unusually fly. You will never catch her with people who love drama or those who don’t have business about themselves. The one thing she must have in her purse is her license. The most adventurous thing she has ever done is pursuing her dreams. Her favorite Designers are Ed Hardy, RocaWear, BabyPhat or anything cute! Her first Love is her daughter, Lyric. Her first Passion is Music. Her first Big Purchase was her Car. Her first Mentor in Life is her Mother. Musically if she had to name a mentor it would be her cousin, Sy Midas, he taught her how to make beats with Fruity Loops 5. In Modeling she does not have a mentor. Her last words are “Up and Coming Artist/Model on the Rise. Look Out for J-Sparkz...Stay Tuned”!
